Riley Chen

Project 1: Maintained a Java and Kubernetes service; improved test coverage and docs.
Project 2: Maintained a Java and Kubernetes service; improved test coverage and docs.
Project 3: Maintained a Java and Kubernetes service; improved test coverage and docs.
Project 4: Maintained a Java and Kubernetes service; improved test coverage and docs.
Project 5: Maintained a Java and Kubernetes service; improved test coverage and docs.
Project 6: Maintained a Java and Kubernetes service; improved test coverage and docs.
Project 7: Maintained a Java and Kubernetes service; improved test coverage and docs.
Project 8: Maintained a Java and Kubernetes service; improved test coverage and docs.
Project 9: Maintained a Java and Kubernetes service; improved test coverage and docs.
Project 10: Maintained a Java and Kubernetes service; improved test coverage and docs.
Project 11: Maintained a Java and Kubernetes service; improved test coverage and docs.
Project 12: Maintained a Java and Kubernetes service; improved test coverage and docs.
Project 13: Maintained a Java and Kubernetes service; improved test coverage and docs.
Project 14: Maintained a Java and Kubernetes service; improved test coverage and docs.
Project 15: Maintained a Java and Kubernetes service; improved test coverage and docs.
Project 16: Maintained a Java and Kubernetes service; improved test coverage and docs.
Project 17: Maintained a Java and Kubernetes service; improved test coverage and docs.
Project 18: Maintained a Java and Kubernetes service; improved test coverage and docs.
Project 19: Maintained a Java and Kubernetes service; improved test coverage and docs.
Project 20: Maintained a Java and Kubernetes service; improved test coverage and docs.
Project 21: Maintained a Java and Kubernetes service; improved test coverage and docs.
Project 22: Maintained a Java and Kubernetes service; improved test coverage and docs.
Project 23: Maintained a Java and Kubernetes service; improved test coverage and docs.
Project 24: Maintained a Java and Kubernetes service; improved test coverage and docs.
Project 25: Maintained a Java and Kubernetes service; improved test coverage and docs.
Project 26: Maintained a Java and Kubernetes service; improved test coverage and docs.
Project 27: Maintained a Java and Kubernetes service; improved test coverage and docs.
Project 28: Maintained a Java and Kubernetes service; improved test coverage and docs.
Project 29: Maintained a Java and Kubernetes service; improved test coverage and docs.
Project 30: Maintained a Java and Kubernetes service; improved test coverage and docs.
Project 31: Maintained a Java and Kubernetes service; improved test coverage and docs.
Project 32: Maintained a Java and Kubernetes service; improved test coverage and docs.
Project 33: Maintained a Java and Kubernetes service; improved test coverage and docs.
Project 34: Maintained a Java and Kubernetes service; improved test coverage and docs.
Project 35: Maintained a Java and Kubernetes service; improved test coverage and docs.
Project 36: Maintained a Java and Kubernetes service; improved test coverage and docs.
Project 37: Maintained a Java and Kubernetes service; improved test coverage and docs.
Project 38: Maintained a Java and Kubernetes service; improved test coverage and docs.
Project 39: Maintained a Java and Kubernetes service; improved test coverage and docs.
Project 40: Maintained a Java and Kubernetes service; improved test coverage and docs.
Project 41: Maintained a Java and Kubernetes service; improved test coverage and docs.
Project 42: Maintained a Java and Kubernetes service; improved test coverage and docs.
Project 43: Maintained a Java and Kubernetes service; improved test coverage and docs.
Project 44: Maintained a Java and Kubernetes service; improved test coverage and docs.
Project 45: Maintained a Java and Kubernetes service; improved test coverage and docs.
Project 46: Maintained a Java and Kubernetes service; improved test coverage and docs.

Project 47: Maintained a Java and Kubernetes service; improved test coverage and docs.
Project 48: Maintained a Java and Kubernetes service; improved test coverage and docs.
Project 49: Maintained a Java and Kubernetes service; improved test coverage and docs.
Project 50: Maintained a Java and Kubernetes service; improved test coverage and docs.
Project 51: Maintained a Java and Kubernetes service; improved test coverage and docs.
Project 52: Maintained a Java and Kubernetes service; improved test coverage and docs.
Project 53: Maintained a Java and Kubernetes service; improved test coverage and docs.
Project 54: Maintained a Java and Kubernetes service; improved test coverage and docs.
Project 55: Maintained a Java and Kubernetes service; improved test coverage and docs.
Project 56: Maintained a Java and Kubernetes service; improved test coverage and docs.
Project 57: Maintained a Java and Kubernetes service; improved test coverage and docs.
Project 58: Maintained a Java and Kubernetes service; improved test coverage and docs.
Project 59: Maintained a Java and Kubernetes service; improved test coverage and docs.
Project 60: Maintained a Java and Kubernetes service; improved test coverage and docs.
Project 61: Maintained a Java and Kubernetes service; improved test coverage and docs.
Project 62: Maintained a Java and Kubernetes service; improved test coverage and docs.
Project 63: Maintained a Java and Kubernetes service; improved test coverage and docs.
Project 64: Maintained a Java and Kubernetes service; improved test coverage and docs.
Project 65: Maintained a Java and Kubernetes service; improved test coverage and docs.
Project 66: Maintained a Java and Kubernetes service; improved test coverage and docs.
Project 67: Maintained a Java and Kubernetes service; improved test coverage and docs.
Project 68: Maintained a Java and Kubernetes service; improved test coverage and docs.
Project 69: Maintained a Java and Kubernetes service; improved test coverage and docs.
Project 70: Maintained a Java and Kubernetes service; improved test coverage and docs.
Project 71: Maintained a Java and Kubernetes service; improved test coverage and docs.
Project 72: Maintained a Java and Kubernetes service; improved test coverage and docs.
Project 73: Maintained a Java and Kubernetes service; improved test coverage and docs.
Project 74: Maintained a Java and Kubernetes service; improved test coverage and docs.
Project 75: Maintained a Java and Kubernetes service; improved test coverage and docs.
Project 76: Maintained a Java and Kubernetes service; improved test coverage and docs.
Project 77: Maintained a Java and Kubernetes service; improved test coverage and docs.
Project 78: Maintained a Java and Kubernetes service; improved test coverage and docs.
Project 79: Maintained a Java and Kubernetes service; improved test coverage and docs.
Project 80: Maintained a Java and Kubernetes service; improved test coverage and docs.
Project 81: Maintained a Java and Kubernetes service; improved test coverage and docs.
Project 82: Maintained a Java and Kubernetes service; improved test coverage and docs.
Project 83: Maintained a Java and Kubernetes service; improved test coverage and docs.
Project 84: Maintained a Java and Kubernetes service; improved test coverage and docs.
Project 85: Maintained a Java and Kubernetes service; improved test coverage and docs.
Project 86: Maintained a Java and Kubernetes service; improved test coverage and docs.
Project 87: Maintained a Java and Kubernetes service; improved test coverage and docs.
Project 88: Maintained a Java and Kubernetes service; improved test coverage and docs.
Project 89: Maintained a Java and Kubernetes service; improved test coverage and docs.
Project 90: Maintained a Java and Kubernetes service; improved test coverage and docs.
Project 91: Maintained a Java and Kubernetes service; improved test coverage and docs.
Project 92: Maintained a Java and Kubernetes service; improved test coverage and docs.
Project 93: Maintained a Java and Kubernetes service; improved test coverage and docs.
Project 94: Maintained a Java and Kubernetes service; improved test coverage and docs.
Project 95: Maintained a Java and Kubernetes service; improved test coverage and docs.

Project 96: Maintained a Java and Kubernetes service; improved test coverage and docs.
Project 97: Maintained a Java and Kubernetes service; improved test coverage and docs.
Project 98: Maintained a Java and Kubernetes service; improved test coverage and docs.
Project 99: Maintained a Java and Kubernetes service; improved test coverage and docs.
Project 100: Maintained a Java and Kubernetes service; improved test coverage and docs.
Project 101: Maintained a Java and Kubernetes service; improved test coverage and docs.
Project 102: Maintained a Java and Kubernetes service; improved test coverage and docs.
Project 103: Maintained a Java and Kubernetes service; improved test coverage and docs.
Project 104: Maintained a Java and Kubernetes service; improved test coverage and docs.
Project 105: Maintained a Java and Kubernetes service; improved test coverage and docs.
Project 106: Maintained a Java and Kubernetes service; improved test coverage and docs.
Project 107: Maintained a Java and Kubernetes service; improved test coverage and docs.
Project 108: Maintained a Java and Kubernetes service; improved test coverage and docs.
Project 109: Maintained a Java and Kubernetes service; improved test coverage and docs.
Project 110: Maintained a Java and Kubernetes service; improved test coverage and docs.
Project 111: Maintained a Java and Kubernetes service; improved test coverage and docs.
Project 112: Maintained a Java and Kubernetes service; improved test coverage and docs.
Project 113: Maintained a Java and Kubernetes service; improved test coverage and docs.
Project 114: Maintained a Java and Kubernetes service; improved test coverage and docs.
Project 115: Maintained a Java and Kubernetes service; improved test coverage and docs.
Project 116: Maintained a Java and Kubernetes service; improved test coverage and docs.
Project 117: Maintained a Java and Kubernetes service; improved test coverage and docs.
Project 118: Maintained a Java and Kubernetes service; improved test coverage and docs.
Project 119: Maintained a Java and Kubernetes service; improved test coverage and docs.
Project 120: Maintained a Java and Kubernetes service; improved test coverage and docs.
Project 121: Maintained a Java and Kubernetes service; improved test coverage and docs.
Project 122: Maintained a Java and Kubernetes service; improved test coverage and docs.
Project 123: Maintained a Java and Kubernetes service; improved test coverage and docs.
Project 124: Maintained a Java and Kubernetes service; improved test coverage and docs.
Project 125: Maintained a Java and Kubernetes service; improved test coverage and docs.
Project 126: Maintained a Java and Kubernetes service; improved test coverage and docs.
Project 127: Maintained a Java and Kubernetes service; improved test coverage and docs.
Project 128: Maintained a Java and Kubernetes service; improved test coverage and docs.
Project 129: Maintained a Java and Kubernetes service; improved test coverage and docs.
Project 130: Maintained a Java and Kubernetes service; improved test coverage and docs.
Project 131: Maintained a Java and Kubernetes service; improved test coverage and docs.
Project 132: Maintained a Java and Kubernetes service; improved test coverage and docs.
Project 133: Maintained a Java and Kubernetes service; improved test coverage and docs.
Project 134: Maintained a Java and Kubernetes service; improved test coverage and docs.
Project 135: Maintained a Java and Kubernetes service; improved test coverage and docs.
Project 136: Maintained a Java and Kubernetes service; improved test coverage and docs.
Project 137: Maintained a Java and Kubernetes service; improved test coverage and docs.
Project 138: Maintained a Java and Kubernetes service; improved test coverage and docs.
Project 139: Maintained a Java and Kubernetes service; improved test coverage and docs.
Project 140: Maintained a Java and Kubernetes service; improved test coverage and docs.
Project 141: Maintained a Java and Kubernetes service; improved test coverage and docs.
Project 142: Maintained a Java and Kubernetes service; improved test coverage and docs.
Project 143: Maintained a Java and Kubernetes service; improved test coverage and docs.
Project 144: Maintained a Java and Kubernetes service; improved test coverage and docs.

Project 145: Maintained a Java and Kubernetes service; improved test coverage and docs.
Project 146: Maintained a Java and Kubernetes service; improved test coverage and docs.
Project 147: Maintained a Java and Kubernetes service; improved test coverage and docs.
Project 148: Maintained a Java and Kubernetes service; improved test coverage and docs.
Project 149: Maintained a Java and Kubernetes service; improved test coverage and docs.
Project 150: Maintained a Java and Kubernetes service; improved test coverage and docs.
Project 151: Maintained a Java and Kubernetes service; improved test coverage and docs.
Project 152: Maintained a Java and Kubernetes service; improved test coverage and docs.
Project 153: Maintained a Java and Kubernetes service; improved test coverage and docs.
Project 154: Maintained a Java and Kubernetes service; improved test coverage and docs.
Project 155: Maintained a Java and Kubernetes service; improved test coverage and docs.
Project 156: Maintained a Java and Kubernetes service; improved test coverage and docs.
Project 157: Maintained a Java and Kubernetes service; improved test coverage and docs.
Project 158: Maintained a Java and Kubernetes service; improved test coverage and docs.
Project 159: Maintained a Java and Kubernetes service; improved test coverage and docs.
Project 160: Maintained a Java and Kubernetes service; improved test coverage and docs.
Project 161: Maintained a Java and Kubernetes service; improved test coverage and docs.
Project 162: Maintained a Java and Kubernetes service; improved test coverage and docs.
Project 163: Maintained a Java and Kubernetes service; improved test coverage and docs.
Project 164: Maintained a Java and Kubernetes service; improved test coverage and docs.
Project 165: Maintained a Java and Kubernetes service; improved test coverage and docs.
Project 166: Maintained a Java and Kubernetes service; improved test coverage and docs.
Project 167: Maintained a Java and Kubernetes service; improved test coverage and docs.
Project 168: Maintained a Java and Kubernetes service; improved test coverage and docs.
Project 169: Maintained a Java and Kubernetes service; improved test coverage and docs.
Project 170: Maintained a Java and Kubernetes service; improved test coverage and docs.
Project 171: Maintained a Java and Kubernetes service; improved test coverage and docs.
Project 172: Maintained a Java and Kubernetes service; improved test coverage and docs.
Project 173: Maintained a Java and Kubernetes service; improved test coverage and docs.
Project 174: Maintained a Java and Kubernetes service; improved test coverage and docs.
Project 175: Maintained a Java and Kubernetes service; improved test coverage and docs.
Project 176: Maintained a Java and Kubernetes service; improved test coverage and docs.
Project 177: Maintained a Java and Kubernetes service; improved test coverage and docs.
Project 178: Maintained a Java and Kubernetes service; improved test coverage and docs.
Project 179: Maintained a Java and Kubernetes service; improved test coverage and docs.
Project 180: Maintained a Java and Kubernetes service; improved test coverage and docs.
